Discover the totally legal, “millionaire strategies” saving hundreds of people thousands of dollars in taxes.

Learn which unique tax cutting methods and income building action plans will help you battle the increased food and gas costs depleting your budget. If that new car or upscale home is now out of reach due to inflation, Dr. Wong’s methods will help you alleviate your financial woes and increase future income. You will learn:

- How to save \$10-\$50,000+ income tax in 2022 and recover taxes paid in 2021
- Which government tax credits can save you money, while helping the environment
- Tax-cutting secrets of the mega-wealthy you can use
- How to convert to a ROTH IRA and pay no federal income tax
- What innovative solar technology can reduce your taxes and generate annual income
